SECTION 219 COVENANT

TERMS OF INSTRUMENT – PART 2

WHEREAS:

- A. The Transferor is the owner of the land described in item 2 of Part 1 of this General Instrument (the “Land”).
- B. A portion of the Land contains an archaeological site known as Borden No. DkQs-8 which is protected under the provisions of the *Heritage Conservation Act*.

NOW THEREFORE in consideration of the premises and the sum of \$1.00 now paid by the Transferee to the Transferor (the receipt and sufficiency of which is acknowledged by the Transferor), the parties agree as follows:

1. In this Part

“Covenant Area Land” means the portion of the Land containing the archaeological site, as outlined in bold and labelled “COVENANT” on a Reference Plan of Covenant prepared by Mathew Jaccard, BC Land Surveyor, registered in the Land Title Office under number EPP115867, a copy of which is attached as Schedule “A”.

2. The Transferor covenants with the Transferee that it will not:

- (a) deposit on the Covenant Area Land, or any part of it, any earth, fill or other material for the purpose of filling in or raising the level of the Covenant Area Land;
- (b) remove, destroy, damage or disturb any Heritage Conservation Act protected archaeological object;
- (c) remove or displace any soil from the Covenant Area Land; or
- (d) construct, erect or place any building, modular home, mobile home or unit, improvement or structure on the Covenant Area Land;

or permit any of the foregoing to be done without the prior written consent of the Transferee, which consent may be withheld at the absolute discretion of the Transferee.

3. The Transferor acknowledges and agrees with the Transferee that in order for the Transferee to provide its consent to the Transferor to undertake any of the activities set out in section 2, it may, among other things, require the Transferor to carry out appraisals, inspections, inventories, surveys, studies, analyses and other investigations of the Covenant Area Land and the potential archaeological impact

of any such activity on the Covenant Area Land and the Transferor will carry out all such appraisals, inspections, inventories, surveys, studies, analyses and other investigations at its expense.

4. The Transferor will indemnify and save the Transferee harmless from all actions, causes of actions, claims, demands, suits, losses, damages, debts, accounts, liabilities, costs, expenses and compensation of any kind, including fees of solicitors and other professional advisors, arising out of any breach, violation or non-performance by the Transferor of the covenants set out in sections 2 and 3.
5. No term, condition, covenant or other provision or breach of this Agreement will be considered to have been waived by the Transferee unless such waiver is expressed in writing by the Transferee and any such waiver is not a waiver of any other term, condition, covenant, or other provision or any other breach of this Agreement.
6. This Agreement extends to, is binding upon and enures to the benefit of the parties and their respective heirs, executors, administrators, successors and assigns.
7. In this Agreement, unless the context otherwise requires, the singular includes the plural and the masculine includes the feminine gender and a corporation.
